Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. (In the space provided below, please explain in detail the reasons for the delay in filing a proper reply.)

US Patent Application 10/536,815 became abandoned since the USPTO failed to image the Amendment, Petition for 2 month Extension of Time, Revocation and Power of Attorney and the appropriate transmittal documents, all of which were submitted, by facsimile, on August 18, 2009.

The applicant received a Notice of Abandonment dated October 28, 2009. Upon receipt, the Applicant contacted her newly assigned Attorney, Mark A. Litman, Registration No.: 26,390, and asked him to follow up with this matter.

Applicant's attorney checked the Image Wrapper for 10/536,815, on Public Pair and did not see the Amendment, Petition for Extension of Time, nor the Revocation and Power of Attorney. Applicant has proof that the United States Patent and Trademark Office received said documents on August 18, 2009, since a USPTO Auto-Reply Facsimile Transmission was faxed to the Attorney Litman's office minutes after the August 18, 2009, submission.

Since this is obviously the fault of the United States Patent and Trademark Office, the Applicant should not be responsible for the petition fee of \$270.00. See attached documents originally submitted on August 18, 2009.

Applicant requests that the Office withdraw the Abandonment and Revive the US Patent Application 10/536,815, as well as consider the Amendment, Petition for Extension of Time and Revocation and Power of Attorney as originally submitted on August 18, 2009.

This is a petition to revive an unavoidably abandoned application, the cause of the error in holding the Application being the sole error of the U.S. Patent and Trademark Office.

The Application had received a Non-Final Office Action rejection all claims in the Application mailed on March 20, 2009. In response to this Office Action, new counsel for the client sent in a facsimile transmission on 18 August 2009, which transmission included:

- 1) A complete amendment and response to the Office Action;
- 2) A petition for extension of time and authorization for payment of the petition fee for the time necessary;
- 3) A new power of attorney signed by the client;
- 4) Facsimile transmission sheet; and
- 5) Amendment Transmittal documents including claim count and fee schedule.

All documents were sent with individual and collective transmission by facsimile Certification.

To provide clear evidence of the timely filing of this Amendment, Counsel for Applicant attached hereto a copy of each document sent by facsimile transmission, Counsel's facsimile report from his fax machine of the successful facsimile transmission to the US Patent and Trademark Office at 571.273.8300 and the transmission receipt from the US PTO dated 18 August 2009 indicating receipt of all pages of the transmission.

As all appropriate and required documents for a complete response to the Office Action were in fact timely and correctly filed with the US Patent and Trademark Office, and as Applicant has shown by clear and convincing evidence that the documents were both sent to and received by the US Patent and Trademark Office, the abandonment of this application was unavoidable and should be withdrawn, with no fees charged to Applicant.
